Live and work in "ManCountry"

We'll train you in your spare time — for an exciting outdoor career

These patches represent outdoor careers for which the National School trains you; not the official patches of any State, Federal or private conservation service.

Thousands of jobs will be opening up in wildlife management, parks and outdoor recreation, forestry, etc.

Why spend the best days of your life punching a time clock in an office, store or factory — when you may be able to qualify for one of the thousands of new jobs that are coming up in the great outdoors because of concern for conservation and ecology.

Imagine getting paid for work you'll enjoy

Don't settle for only occasional hunting, fishing and boating trips. Live and work right next to nature — in real *man country* — all year round. Every year there are new openings in State and National Parks, the forest industry, game refuges and preserves, private hunting and fishing clubs and recreational facilities.

Here's how you can qualify . . . Start now!

The National School of Conservation will help you prepare at home, in your spare time, for an exciting outdoor opportunity. This accredited train-at-home program has been created by experts in the field of conservation. These men have years of on-the-job experience . . . and they share it with you, through every step of your training. You can even keep your present job as you learn at home . . . working at your own pace. National School of Conservation is America's oldest established and accredited home-study conservation school; so you *know* you're in capable hands. When you graduate, National School will assist you in contacting public and private conservation organizations and help explore available job openings.

Good Pay . . . Job Security . . . Low Living Costs — a great combination!

You can earn a good living, with advancement possibilities and raises based on seniority and performance. As a bonus, some jobs include uniform allowances, hospital insurance, pension plans, vacations with pay . . . and your paychecks come through regularly — good times or bad.

You only live once . . . make it a life of adventure

The man who wears the insignia of a forestry, conservation, wildlife or park agency is a man of *action* called upon to rescue people in danger . . . to enforce our laws and protect our wildlife . . . to direct citizens in time of emergencies . . . even lead fire fighting crews. What's more, the conservationist has the satisfaction of knowing that he is serving his country . . . safeguarding her forests, parks, ranges and wildlife. Future generations will be grateful to him for preserving the natural beauty of our American heritage.

IT'S NO USE! THERE'S NO WAY I CAN PICK IT IN TIME!
BUT THERE IS A WAY I CAN BLAST IT-- IF YA WANNA TAKE THE CHANCE!
NO WAY! ANY KIND OF BLAST WOULD KILL US ALL!
NOT IF I BLOW IT WITH A GRENADE-- AND SHIELD THE REST OF YOU WITH MY BODY!

A PERSONAL PLEA FROM YOUR BLUSHIN' BULLPEN:

Hey, amigo—

Wanna have your name eternally stored in our mighty Marvel time capsule? Wanna go down in history as a permanent part of Marveldom Assembled? Most of all — wanna do us a favor?

You know how we selflessly strive to bring you the best in story and art. Well, to help us really hit the target, we've got to know who you are—where you are—what you are!

So, how about filling out the mildly magniloquent **mini-survey** printed below? We made it as painless as possible. Then mail it to the national research firm we've hired to impartially analyze all your answers. Okay? Okay!

Remember—everything you tell us is strictly confidential. You don't even have to sign your name—even if you have one!

Spidey thanks you. The Hulk thanks you. And I thank you.

Stan Lee
